Dear Ms. Sederquest:

This responds to your Freedom of Information Act (FOIA) request of November 13, 2017 in which you were seeking "...the data from the Land Use Control Information Systems from the Department of the Navy: BRAC PMO." The LUCIS (Land Use Control Information System) database, maintained by the Department of the Navy, provides information about land use controls on former Navy Base Realignment and Closure Properties.

Your request was received by this office on November 13, 2017 and assigned file number DON-NAVY-2018-001334. Your request has been carefully considered under the provisions of the FOIA, as amended, 5 U.S.C. § 552, and the Navy's implementing instructions at Secretary of the Navy Instruction 5720.42F. We have reviewed the attached database which is responsive to your request and it is released to you in its entirety. The fees associated with the processing of your request are waived in this instance.

Any questions concerning this matter should be directed to me at (619) 524-5789.

Sincerely,

A handwritten signature in black ink, appearing to read "Lawrence Lansdale", is written over the typed name.
